

# EDUCATIONAL ORGANIZATION

The classroom-modules will be organized within the Alliance Ethio-française while the e-learning modules will be implemented and assessed by tutors from the University of Le Mans (France). The DU FLE must be carried out over an academic year starting from 6 mandatory modules (141 hours of training):

- 88 hours of classroom-training and practice at the Alliance Ethio-française,
- 35 hours of e-learning delivered by the University of Le Mans (France),
- 18 hours of preparation of educational sheets at the Alliance Ethio-française of Addis Ababa.

The team of trainers and tutors will organize the entire training according to the following program:

**Module 1:** Introduction to French Foreign Language didactics

**Module 2:** The Common European Framework of Reference for Languages tools

**Module3:** History of Language Teaching Methodologies

**Module 4:** Methodologies for teaching

**Module 5&6:** Group management and designing lessons
